#### 1) SIPS Deposit (Real-time Collateral Deposit through SCB Internet Payment System)

SIPS Deposit menu can be used after SIPS has been approved by SCB bank. SIPS links a customer's SCB bank saving account to the online trading account with SCBS. SIPS facilitates a real-time fund transfer to deposit cash collateral into an investor's equities cash balance or derivatives portfolio without any fee. To transfer fund via SIPS Deposit, a customer simply enter the amount, verify the transaction with the 6 digits PIN Code, and click "confirm" button. A customer will see pop up screen "Transfer Complete" message once the transaction has been completed.

- In case your SIPS account has not been approved by the Bank, you will see account no. as "N/A".
- In case your saving balance is insufficient, you will see an error message as "Insufficient Available Balance".
- In case you have entered a wrong PIN code, you will see an error message as "Invalid PIN Number".

## 2) SIPS Withdrawal (Withdraw money from trading account to saving account through SCB Internet Payment System)

The screenshot displays the 'SIPS WITHDRAWAL' screen. At the top, there are navigation tabs: 'SIPS Deposit', 'SIPS Withdrawal' (selected), 'SIPS Cancel', and 'SIPS History'. Below these are utility buttons: 'Reset PIN', 'Change Email', 'Change Q&A', 'Change Mailing Address', and 'Contact Us'.
